

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF FLORIDA

Case No. 24-cr-14046-Moore/McCabe

UNITED STATES OF AMERICA,

Plaintiff,

v.

ROYCE GILLHAM,

Defendant.

**REPORT AND RECOMMENDATION**  
**FOLLOWING CHANGE OF PLEA HEARING**

THIS CAUSE is before the Court upon Order of Reference from U.S. District Judge K. Michael Moore and the consent of the parties for a U.S. Magistrate Judge to accept a guilty plea by Defendant ROYCE GILLHAM. The Court held a change of plea hearing on November 7, 2024, which was attended by Defendant, his counsel Scott Neil Richardson, and Assistant U.S. Attorney Daniel Funk. The Court hereby advises as follows:

1. The Court advised Defendant of his right to have the hearing conducted by the presiding U.S. District Judge assigned to the case. The Court further advised Defendant that a U.S. Magistrate Judge was conducting the change of plea hearing by Order of Reference from the U.S. District Judge and as agreed to by Defendant, Defendant's attorney, and the Assistant United States Attorney assigned to this case. The Court further advised Defendant that his sentence would be imposed by the presiding U.S. District Judge, who would make all findings and rulings regarding such sentence and would conduct a sentencing hearing at a time set by the U.S. District Judge.

2. The Court advised Defendant that he did not have to permit the undersigned to conduct this hearing and could require that the change of plea hearing be conducted by the U.S. District Judge. Defendant, Defendant's attorney, and the Assistant U.S. Attorney assigned to the case all agreed on the record and consented to this Court conducting the change of plea hearing.

3. The Court then conducted a plea colloquy in accordance with the outline set forth in the Bench Book for U.S. District Judges and in conformity with the requirements of Federal Rule of Criminal Procedure 11.

4. A written plea agreement has been entered into by the parties in this case. This Court reviewed the plea agreement and had the Defendant acknowledge that he signed the plea agreement. This Court also made certain that Defendant was aware of any maximum sentences which could be imposed in this case pursuant to the plea agreement, sentencing guidelines, and applicable statutes.

5. Defendant acknowledged that he was fully satisfied with the services of his attorney and that he had full opportunity to discuss all facets of his case with his attorney, which he acknowledged that he understood.

6. Defendant pled guilty to Count 1 of the Information, which charges the defendant with conspiracy, in violation of Title 18, United States Code, Section 371. That count specifies that the objects of the conspiracy were to commit wire fraud and file false claims.

7. The Court reviewed the appeal waiver with the Defendant and found that the Defendant knowingly, voluntarily, and intelligently waived his appellate rights. The Court also found that the Defendant knowingly, voluntarily, and intelligently waived any 8<sup>th</sup> Amendment claim that the forfeiture of his assets would be an excessive fine.

8. The parties submitted an *Acknowledgment Of Offense Elements And Stipulation As To And Factual Basis For Guilty Plea*, made part of the record and signed by Defendant, his counsel, and the Government. This factual proffer includes all of the essential elements of the offenses to which Defendant pled guilty. The Government orally summarized the factual basis for the plea on the record, including the essential elements of each offense. Defendant acknowledged that he signed the factual proffer and that all the statements contained therein are true.

9. Defendant has been referred to the U.S. Probation Office for the preparation of a pre-sentence investigation report. The sentencing hearing will be conducted at a time scheduled by the U.S. District Judge.

Accordingly, based upon the foregoing and the plea colloquy conducted by this Court, the undersigned

RECOMMENDS that Defendant, ROYCE GILLHAM, (1) be found to have freely, knowingly, and voluntarily entered a guilty plea to Count 1 of the Information, (2) that his guilty plea be accepted, (3) that he be adjudicated guilty of the offense, and (4) that a sentencing hearing as scheduled by the U.S. District Judge be conducted for a final disposition of this matter.

**NOTICE OF RIGHT TO OBJECT**

The parties shall have fourteen (14) days from the date of being served with a copy of this Report and Recommendation within which to file written objections, if any, with U.S. District Judge K. Michael Moore. Failure to file objections timely shall bar the parties from a *de novo* determination by the District Judge of an issue covered in the Report and Recommendation and shall bar the parties from attacking on appeal unobjected-to factual and legal conclusions contained in this Report and Recommendation. *See* 28 U.S.C. § 636(b)(1); *Thomas v. Arn*, 474 U.S. 140, 149 (1985); *Henley v. Johnson*, 885 F.2d 790, 794 (11th Cir. 1989); 11th Cir. R. 3-1 (2016).

DONE AND RECOMMENDED in Chambers at West Palm Beach in the Southern District of Florida, this 7<sup>th</sup> day of November, 2024.
